We are using the online system ENTRYEEZE to register for the competition. Register at MetroEdgeFSC.org. Select the "Events/Competition" tab at the top of the page, then select "Meet Me in St. Louis Competition" from the drop down menu. Select "Register". Select the blue bar that says "Online Registration" at the bottom of the page to go to the ENTRYEEZE Meet Me in St. Louis Competition homepage.

ISI Test Level: Skaters will only be allowed to register for events they are eligible for based on their submitted ISI test level. It is VERY important to ensure that all current ISI test levels have been turned into ISI by your skater's coach prior to registering for this competition

The Metro Edge FSC reserves the right to combine events, divide events, or reclassify participants where numbers of entries warrant such action.

## Tips for Registering Online

Individual and Partner Event Registration: When registering your skater for an individual and/or partner event, select the "Skaters and Parents" button to login to ENTRYEEZE. The ENTRYEEZE system is connected to the ISI data base. You will need your skater's ISI number or ISI username and ISI password to login to the Meet Me in St. Louis Competition registration page. If you do not know your ISI password, select the red "help" button beneath the login fields. It is important to ensure that ISI has your current email address as this is the email address used to request ISI password information and the address event organizers will use to communicate regarding the competition.

If applicable, you will need to enter the name and ISI number of the partner at the time of registration. BOTH partners for each partner event will need to login to ENTRYEEZE and register.

## Registration and Fees

You will be prompted to select your skater's coach when registering for the competition. If you do not see your coach in the drop down menu, you will need to add your coach to the system. Skater coaches will be emailed after event registration is completed.

Team Event Registration: When registering for a team event, a separate login is required. Select the "Team" button from the ENTRYEEZE Meet Me in St. Louis Completion homepage. ONLY the team contact needs to register for a team event (team members DO NOT need to login separately and register for team events). The Team contact will enter their email address to login to ENTRYEEZE (no password required for team registration). Team skater names and ISI number are required for each team member at the time of registration.
